

# **Belmont Village Hi Lights**

Summer 2007, Newsletter 3

(PO BOX 2323) Liverpool, NY 13089

www.Belmont-Village.com

## **COMMUNITY PICNIC CANCELLED**

The picnic scheduled for July 14th has been cancelled due to busy summer schedules.

For the few who had advised their attendance we are sorry for the cancellation.

## **Stay tuned**

To your newsletter as the summer of 2008 will be the 50th birthday of our village and we have decided that an appropriate event is to be planned and hosted during the summer of 2008.

## **NEIGHBOR NEWS**

Several complaints have been received by board member about a few of the residents of Candlelight, it seems like these owners need further instructions in the removal of trash from the village.

The Town of Clay/Syracuse Haulers will not pick up any carpeting! Cardboard over three feet long! Computer monitors! TV's! Etc., and Belmont's board will no longer do it for you. As an FYI it is **not the responsibility of the landscaping crew to clean up the village's trash and litter.**

Please be courteous to your neighbors and the village and do the right thing! It would be a shame to raise the dues for something as trivial as trash pick up when each of us could bend over and pick up the litter and take care of their own trash!

## **TELEPHONE/ADDRESS BOOK**

Town of Clay: (315) 652-3800

Syracuse Haulers: (315) 426-6771

JS Development: (315) 374-7683

## **NOTICE OF PROJECT BEGINNINGS:**

### **#1 CONCRETE:**

MJ Enterprises will be beginning the replacement of our trip hazard concrete flags beginning July 29th thru the 15 of August 2007. We are sorry for any inconvenience as

we move the village forward. We thank you in advance for your consideration and cooperation.

Should you have a need for concrete replacement or repair call Mike at (315) 575 1743 and leave a detailed message and call back number as they are currently in the middle of their busy season so be patient and if you are on site when they are working I am sure he will take a moment to meet with you or schedule a time to discuss your concrete needs..

### **# 2 Center Island:**

The center island Pavers are coming and a much needed repair to our steps and concrete, JS will be the contractor and see or call them for any home landscaping remodels.

## **ON THE ROAD AGAIN!!**

The board will be meeting with the Town of Clay in the next week or two to discuss our concerns and see if we can change the dynamics within the village as far as traffic, curbs, sidewalks, roads etc. Any ideas, please give a board member a call to discuss.

## **Furniture Offer!**

The village has signed a certificate of cooperation with Raymour and Flanigan Clearance Center. If you are in the need for additional furniture, they and Mr. Michael Moore will present to you an additional 30% off any clearance center discounted furniture piece. Any questions call Mr. Moore at 652 3711 for more details.

## **Summer Recipe:**

Into a pitcher of ice slice some lemons, limes and two peaches add a handful of raspberries, 1 cup of sugar or 2/3 cup of Splenda, add water and stir until sugar or Splenda is dissolved. Pour into a tall glass of ice and float a few raspberries on top. YUMMY!
